Dear Parents/Guardians,

As a school we have developed a close working relationship with Cylch Meithrin Ffynnonwen and we have recently come to an agreement to start a "wrap-around" service from September 2018. We have had several parents interested in this and are keen to provide this opportunity to help parents that bring their children to Ysgol Bro Brynach. We will still continue to provide a part time entry for nursery pupils in the first two terms if you do not wish to use the wrap around service provided. All pupils will then be full time at school in the term they turn 4.

## **How does this work?**

Children will go to Cylch Meithrin Ffynnonwen in the morning and have lunch at Ffynnonwen before being taken to School safely by Ffynnonwen Nursery staff by 13:00pm. The cost of this morning session will be determined by Ffynnonwen nursery. The children will have lunch at Ffynnonwen before arriving at Bro Brynach by 13:00pm. They will then be with us at the school until the end of the school day at 15:15pm. This arrangement will also allow parents access to Clwb Hwyl after school club at Ysgol Bro Brynach to help parents that are having difficulty with collecting arrangements at 15:15pm. The Clwb Hwyl after school club is on every Monday and Wednesday and is run from 15:15 - 17:30pm at the cost of £6 per child.

## **The Benefits**

The wrap around service provides several benefits to both the parents and the children:

- It allows full time working parents access to full time childcare from when their children are 3 years old.
- It improves the transition for children from the Nursery setting in to school and allows them to develop friendships early.
- It prepares children well for when they arrive at school full time.
- It develops the working relationship between Ffynnonwen Nursery and the School to work on the same outcomes/objectives to help your child/children to develop at an earlier stage.
- It enables parents to have access to Clwb Hwyl at Ysgol Bro Brynach every Monday and Wednesday along with their siblings if it's needed.
- To try and assist with families' expensive childcare costs and to create greater flexibility for parents.

If you wish to discuss this arrangement further, please don't hesitate to speak to Miss Sian Bryan or Mr M Lemon at the school. If you wish to discuss this with Ffynnonwen Nursery in regards to the cost of morning sessions etc, please don't hesitate to contact Elizabeth Lewis on - 07760135392 or [cmffynnonwen@outlook.com](mailto:cmffynnonwen@outlook.com)

Thank you for your continued support  
Mr Mathew Lemon
